What is storytelling?

What for?

Storytelling a method to motivate

Storytelling has always been a powerful method of education – creative, interactive, beautiful, almost free of costs and suitable for everybody and at any place

Why storytelling triggers motivation?

Organized
narrative
teaching strategy

Serve as a
glue/connector

It lingers with us
long after time

Serve as a
leverage for any
kind of student

Why storytelling triggers motivation?

It humanize learning. It offers us the opportunity to connect to like-minded characters, or see the world literally from within someone else's skin. Stories touch our emotions and make us laugh, cry, fear, and get angry—a sharp contrast to a plain old presentation.
